Please join us this Saturday 14 February, for the first annual Members Only Salon Hang.

For the first time in its 5-year history, Kunstverein will be hosting a Salon Hang, open to all and only its esteemed members. The Salon Hang is an exciting out of control event that showcases an abundance of local and international work. At once harking back to the infamous Salons of the past, referencing these full and novel exhibitions that often wrote history, and at the same time, looking forward to what a contemporary art community and self-organization can look like today.
